INTRODUCTION

The Rocky Mountain Laser College (RMLC) wants to thank you for your interest in aesthetic laser training. We are pleased to announce the nation's first "certified laser training" that is approved and regulated by the **Colorado Department of Higher Education – Division of Private Occupational Schools**. The college offers many exciting and different courses to choose from.

Our courses are designed to increase your knowledge in the field of laser aesthetics. Having this more in-depth training will not only aid in your ability to assist your clients, but also add to your professionalism and your good standing in the allied health and medical fields. Our unique courses offer on-line didactic training, clinical classroom training and one-on-one "hands-on" laser applications on live models.

RMLC graduates will have working knowledge in providing quality care to their clients. RMLC will expose the students to practicing laser specialists, aestheticians, manufacture reps and other professionals who will familiarize the students with the demands involved in aesthetic laser applications. The RMLC staff firmly believes that the field of aesthetic laser offers a very rewarding profession and professional fulfillment. The field of aesthetic laser is constantly changing as new advances in techniques and methods continue to be developed. The RMLC is "**dedicated to excellence**" providing professional, ethical and competent training.

Upon completion of our featured course, graduates will be presented with a certificate bearing the credentials **Certified Laser Specialist**[®] (CLS). This coveted trademark is registered with the United States Patent and Trademark Office (USPTO) and is the property of RMLC and is only given to those who graduate from the Rocky Mountain Laser College.

The RMLC was founded with the idea of providing quality service and training with honest, sincere and expected results. The RMLC is owned by Electrology Laboratory, Inc. whose officers are Ray Fluken, president, Jody Riggs Fluken, shareholder and Jessica Riggs, Vice President. Today, as a leader in the aesthetic laser industry, the RMLC displays the same ethics and expertise that started over 69 years ago and that has built it to its current level of success.

MISSION STATEMENT AND PHILOSOPHY

"Providing quality service and training with honest, sincere and expected results."

FACULTY AND ADMINISTRATION

The staff at RMLC believes that the art of teaching aesthetic laser is truly a privilege. They have enjoyed their chosen field and its benefits, and likewise, find great pleasure in sharing their career with those whom want to learn the skills of aesthetic laser applications. It is their goal to meet the highest standards of professionalism.

The RMLC staff value their own training and are dedicated to higher learning in the practice of laser as a service within a vital and challenging allied health field. We will stress professionalism, knowledge and competence throughout our programs and will provide a learning atmosphere, which will enable each student to meet their personal and professional goals.

ENTRANCE ELIGIBILITY

Qualification for admission to RMLC, in the State of Colorado:

1. Must be eighteen (18) years of age on or before the date of graduation.
2. Pursuant to RMLC approval of COE with adequate Post 9/11 benefits, payment of the \$500 deposit is waived for Veterans Affairs enrollees.
3. COLORADO residents must have a Cosmetologist or Esthetician license, or be a licensed medical professional.

The RMLC does not discriminate on the basis of race, creed, color, age, national origin, sex, disability, creed, religion, or veteran / marital status in admission and access to, and treatment and employment in, its educational programs and activities. The RMLC takes affirmative action to provide equal opportunity to all students, models and employees.

Credits from another institution will be evaluated on a case by case basis.

The RMLC does not guarantee the transferability of its credits to other institutions unless there is a written agreement with the other institution.

Apprenticeship councils do not accept training from trade schools for advanced placement if program is in the apprenticeship area.

Training is offered the 3rd week of each month and enrollment is required 2 weeks prior to class date.

REGISTRATION AND REGISTRATION FEE

Pursuant to RMLC approval of COE with adequate Post 9/11 benefits, payment of the \$500 deposit is waived for Veterans Affairs enrollees.

Advance registration is imperative - late registrations are not encouraged. Please apply for enrollment 1-month prior to start date by submitting a completed application agreement. The Enrollment Agreement can be submitted by any of the convenient methods below.

1. **Mail:** RMLC – 651 Garrison Street, Suite 250 – Lakewood, CO 80215
2. **Phone or email:** 303-237-9100 or Info@RockyMountainLaserCollege.com
3. **In person:** Make an appointment with the office by contacting the college.

Upon receipt of the Enrollment Agreement, the RMLC administrators will review the application and arrive to a decision to accept the applicant. All those accepted are invited to visit the RMLC for a personal interview, a tour of the RMLC and meet the faculty and administrative staff. RMLC encourages prospective or in-state students to visit the college if possible.

ATTENDANCE POLICIES AND SCHOOL PROCEDURES

1. School hours are 9:00am to 5:00pm. Each student must attend promptly for all sessions, unless excused. The college must be notified of any intended absences.
2. Each student must sign attendance roster each day in accordance with DPOS regulations.
3. Unexcused absences will not be tolerated and will lead to dismissal.
4. All students must wear appropriate casual work attire. Students not dressed appropriately will not be permitted to work upon models. White smocks are suggested and are loaned to students upon request.
5. Incoming calls are permitted only in the case of an emergency.
6. **NO SMOKING** is permitted on the RMLC premises. Designated smoking areas are outside of the building.
7. Study requires diligent and exacting application of a student to his/her work. This can best be done in harmonious surroundings. Any student, who by gossip or action causes discord among his/her fellow students, may be subject to dismissal.
8. Everyone will be graded on hygiene. The potential professional must realize that they will be interfacing with models daily, and should be concerned with employing good hygiene.
9. Persistent violation of these rules will be considered sufficient grounds for permanent expulsion without redress. The right to expel a student for violation of school rules is therefore reserved by the school.
10. Any deviation from an acceptable behavior, such as cheating, stealing, vandalism, or use of abusive language, will subject the student to expulsion.
11. The RMLC is not responsible for personal property.
12. In the event the instructors determine a student's progress is unsatisfactory, the director will determine the nature (language barrier, aptitude and attitude, etc) of the unsatisfactory progress and will offer either one-on-one training or a refund per the RMLC refund policy.
13. Students who are suspended or dismissed for unsatisfactory grades or progress will not be re-admitted to the college and will receive a refund per the RMLC refund policy.

The school reserves the right to change these rules at any time. All such changes will be posted. The method of determining the official date of termination is based on the board's decision (absolute relevance). Upon enrollment, the students have embarked on a professional career and are asked to conduct themselves accordingly.

JOB PLACEMENT ASSISTANCE

The RMLC **does not offer placement assistance**. However, we will offer counsel on being a working aesthetic laser professional and on starting a business.

THE RMLC DOES NOT GUARANTEE JOB PLACEMENT.

EXAMINATION AND GRADING STANDARDS

Graded reports will be based on the students' examination results, classroom participation, laboratory skills, attendance and appearance. Students are notified of their grades after the final testing period. A course with a failing grade must be repeated before a certificate is issued, there may be additional costs.

<u>GRADE</u>	<u>NUMERICAL GRADE</u>
Excellent	90-100
Good	80-90
Average	70-80
Failure	Below 70

RMLC will provide feedback to each student on a daily basis to recap lessons before end of the day. Student records are kept on site at the RMLC. Records contain pre and post-test grades, CLS certificate, safety certificate and transcript with final grade percentage and are also given to the student.

WITHDRAWAL, RE-ADMITTANCE AND PROBATION POLICY

LASER/IPL TRAINING UNITS

Unit 1 – LASER SAFETY AND LASER PHYSICS – This unit instructs students in the importance of **laser safety and physics**. This must be taken first for the safety of both the student and the instructors.

- *Laser Safety* — OSHA regulations, nominal hazard zone, proper eyewear and posted signage
- *Terminology* – For lasers and light based devices
- *Laser Physics* - What makes the laser work
- *Laser/IPL* - Differences and uses for each

Unit 2 – CLIENT SELECTION, TISSUE INTERACTION AND CONTRAINDICATIONS – This unit instructs students the aspect of **providing a treatment that is both effective and tolerable**. Students will be able to observe tissue interaction in relation to the laser treatment, prior to hands-on application.

- *Client Selection* — Which clients will or will not benefit
- *Tissue Interaction* — What to expect on the skin during and after treatment
- *Client Observation* — Observing laser treatments prior to hands-on training
- *Contraindications* — Treatment precautions and photosensitive drugs and disorders

Unit 3 – SKIN TYPING, HAIR BIOLOGY AND GROWTH CYCLES – This unit instructs students to determine a **client's skin type**, which is a necessity in providing an effective laser treatment. Students will learn **hair biology and growth cycles**, then learn to determine which energy level should be used in treating clients.

- *Hair / Skin Biology* — The parts of the hair and skin
- *Hair / Skin Analysis* — What type of hair and skin will benefit most
- *Hair Growth Cycles* — Anagen, catagen, and telogen hair cycles
- *Types of Skin* – Full Study of Fitzpatrick Skin Type Scale

Unit 4 – LASER PARAMETERS AND CHROMOPHORES – This unit instructs students on the importance of determining the **proper amounts of energy**, depth of penetration and what the laser is attracted to (chromophore) in respect to the client's skin and hair type.

- *Laser Parameters* — Learning the settings of your laser
- *Spot Size* — How to control treatment efficacy via the depth of penetration
- *Pulse Duration* — How to control treatment efficacy via the beam time
- *Laser Chromophores* — What attracts or repels the laser energy/fluence and why

Unit 5 – LASER PROTOCOLS – This unit instructs students on the types of lasers and their uses

- *Different types of lasers and what they can do*
- *Permanent versus maintenance treatment protocol*
- *Different types of lasers settings for different areas of the body*
- *Cleaning and sterilization of the lasers*

Unit 6 – CLIENT CARE – This unit instructs students to understand how to interact with the client during the initial consultation and how to **treat a client** before, during and after the treatment, which will make the aesthetic laser process easier for both practitioner and client.

- *Client Consultations* – Proper medical history and contraindications
- *Photos* – The importance of before and after pictures
- *Client care* – Pretreatment options, client draping, cleanliness and sterilization
- *Topical Applications* — Prescription topical anesthetics explained
- *Hands-On Practice* — Working in detail with the client
- *Post Treatment Care* – Ointments, dressings and post treatment instructions

CERTIFICATION

Student will be awarded certificates upon completion of:

1. A student must have a passing grade in each course of instruction.
2. The student must have completed the required hours of instruction.
3. The student must be free from all indebtedness to the RMLC.

40-HOUR INTERMEDIATE LASER/IPL COURSE - **State approved Certified Laser Specialist (CLS)**

100-HOUR POST GRAD LASER HANDS-ON COURSE – **Certificate of completion**

14-HOUR LASER PHOTOTHERAPY COURSE – **Certificate of completion**

REFUND POLICY

NON-ACCREDITED COURSES IN ACCORDANCE WITH VA REGULATION 21.4255-1

Students not accepted by the school and students who cancel the contract by notifying the school within three business days are entitled to a full refund of all tuition and fees paid. If any students withdraw after three business days, but before commencement of classes, are entitled to a full refund of all tuition and fees paid including the registration fee in excess of \$10.

In the case of students withdrawing after commencement of classes, the school will retain a cancellation fee plus a percentage of tuition and fees, which is based on the percentage of contact hours attended, as described in the table below. The refund is based on the last date of recorded attendance.

REFUND TABLE FOR VETERAN STUDENT(S)

- ❖ The student may cancel this contract at any time prior to close of the third business day after signing the enrollment agreement.
- ❖ The official date of termination for refund purposes is the last date of recorded attendance. All refunds will be made within 30 days from the date of termination.
- ❖ The student will receive a full refund of tuition and fees paid if the school discontinues a course/program within a period of time a student could have reasonably completed it, except that this provision shall not apply in the event the school ceases operation.
- ❖ Complaints, which cannot be resolved by direct negotiation between the student and the school, may be filed with the Division of Private Occupational Schools of the Colorado Department of Higher Education. The Division shall not consider any claim that is filed more than two years after the date the student discontinues his/her training at the school.

STUDENT GRIEVANCE PROCEDURE

RMLC is committed to mutual respect among all constituents of the college community. This commitment includes students, faculty, staff, and administration alike. In all concerns about fair treatment, we seek to work together to understand and address those concerns without having to resort to formal grievance procedures. When that is not possible, we are at all levels committed to a fair and reasonable resolution of issues through a formal grievance process guided by the information and documentation provided in the process.

STUDENT COMPLAINTS

Student Complaints should be brought to the attention of the School Director to attempt resolution. The Director and student are to follow the grievance procedures according to school policy printed in the school catalog. The student may file a written complaint online with the Division of Private Occupational Schools at higher.ed.colorado.gov/dpos or by requesting a complaint form at 303-862-3001. All student complaints submitted to the Division must be in writing and shall be filed within two years after the student discontinues training at the school.

POSTPONEMENT CLAUSE

Postponement of a starting date, whether at the request of the school or the student, requires a written agreement signed by the student and the school. The agreement must set forth:

- (a) Whether the postponement is for the convenience of the school or the student and;
- (b) A deadline for the new start date, beyond which the start date will not be postponed.

If the course is not commenced, or the student fails to attend by the start date set forth in the agreement, the student will be entitled to an appropriate refund of prepaid tuition and fees within 30-days of the deadline of the new start date set forth in the agreement, determined in accordance with the school's refund policy and all applicable laws and rules concerning the Private Occupational Education Act of 1981.
